

The Sinking of Florida

THE FAITH THAT WAS ONCE DELIVERED TO THE SAINTS - Sunday evening November 29th 1953, at the American Legion Hall, West Palm Beach Florida:

Christian friends, I know Florida is a hard place to catch. I was telling them in there. I...?... Really, but **one of these days there isn't going to be any Florida. She's going to be sunk**, and the things that you so worship now will perish.

That's only eternal God can save you, so if you're not where you think you should be, or where God says you should be, that's the point. *"There's a way that seemeth right unto a man, but the end whereof is the way of death."*

The sinking of the Los Angeles Area

THE CHOOSING OF A BRIDE - Thursday evening, April 29th 1965 at the Biltmore Hotel in Los Angeles, California:

"And you don't know what time that this city one day is going to be laying out here in the bottom of this ocean.

"O, Capernaum," said Jesus, *"thou who exalted into heaven will be brought down into hell, for if the mighty works had been done in Sodom and Gomorrah, it'd have been standing till this day."* And Sodom and Gomorrah lays at the bottom of the Dead Sea, and Capernaum's in the bottom of the sea.

Thou city, who claims to be the city of the Angels, who's exalted yourself into heaven and sent all the dirty filthy things of fashions and things, till even the foreign countries come here to pick up our filth and send it away, with your fine churches and steeples, and so forth the way you do; remember, one day you'll be laying in the bottom of this sea. You're great honeycomb under you right now. The wrath of God is belching right beneath you. How much longer He'll hold this sandbar hanging over that, when that ocean out yonder a mile deep will slide in there plumb back to the Salton Sea. It'll be worse than the last day of Pompeii. Repent, Los Angeles. Repent the rest of you and turn to God. The hour of His wrath is upon the earth. Flee while there's time to flee and come into Christ."

ASHAMED - Jeffersonville Indiana Sunday July 11th 1965:

This was a sermon that I preached on when, I believe, Brother Elij Perry might have been deacon here in the church at the time, for all I know. But it said:

"The time will come..." I didn't know it until Mrs. Simpson brought me the — the sermon the other day. And I got it wrote in a little book, that the desert that... **"The ocean shall weep its way into the desert."** That was thirty years ago.

And, of course, the Salton Sea is about two hundred feet below sea level, and if that big churning, that earth swallowing in like that, with hundreds of square miles, hundreds and hundreds of square miles sinking into the earth, that will throw a tidal wave plumb to Arizona. Sure, it would.

A THINKING MAN'S FILTER - Sunday evening, 22nd August 1965 at the Branham Tabernacle in Jeffersonville, Indiana:

“Nations are breaking; the world is falling apart. Fifteen hundred mile chunk of it, three or four hundred miles wide, will sink hundred — or maybe forty miles down into that great fault out yonder one of these days, and waves will shoot plumb out to the state of Kentucky. And when it does, it'll shake the world so hard that everything on top of it will shake down.”

The Destruction of the Vatican by Atomic Bomb

THE MARK OF THE BEAST - Jeffersonville Indiana Thursday May 13th 1954:

“And remember, I say this as God's prophet: **The Russian empire will drop an atomic bomb of some sort on the Vatican City and destroy it in one hour.** THUS SAITH THE LORD.”

Earthquake Destruction in Japan

THE UNCERTAIN SOUND - Illinois Wesleyan University in Bloomington, April 15th 1961:

“If we go to Japan, we'll be just the same thing; she's ready to rock to pieces right now. And there's no way you can stop it, because they have neglected to do exactly what God told them to do. Instead of preach of Gospel, they have built buildings, and had fine scholarships, and educations. They've used their own ideas to educate people to it.”
